Barbara J. Moore
729 Kyle Drive   Tipp City, Ohio 45371   937-667-4972   lidaray@siscom.net

Abbreviated Publications List

- "Convergence of Socio-Economic and Technology Factors in Creating Opportunities for a New Workforce Model", IEEE Aerospace and Electronic Systems Magazine, Oct. 2001, ISSN 0885-8985
- "Convergence of Socio-Economic and Technology Factors in Creating Opportunities for a New Workforce Model", National Aerospace Electronics Conference (NAECON) Proceedings, 2000, ISBN 0-7803-6262-4
- "Obsolete Out of The Box", Electronic Technology Journal, Spring 1998, MgGraw-Hill
- Implementation Issues Impacting System Design Utilizing Wireless Technologies@, National Aerospace Electronics Conference (NAECON) Proceedings, 1996
- "EDI: Electronic Data Interchange Primer", UTA Technical Paper, 1995
- "RoadBlocks To Wide Acceptance of Wireless Technologies", Wireless '93 Conference Proceedings, 1993, Calgary Canada
- "Achieving Software Quality Through Requirements Analysis", 1993, Third International Conference on Software Quality Proceedings
- Requirements Analysis Process Chapter of Network Re-engineering, McGraw-Hill, 1996, Contrib. Author
- "Professionals in Transition", IEEE Update, Volume 1 Issue 6
- "How to Benefit From A High Technology Consultant", Presented at Ohio Technology Exposition 1995, Corporate Publication of Lida Ray Technologies
- "Software Testing Methods", IEEE Update, Volume 2, Issue 2, 1995
- "Wireless Remote Network Bridging", IEEE MiniConductor, Volume XXIV, Number 1, 1995
- "Software Product Evaluation", USAF The Interface, February 1992
- "Internet Services", IEEE MiniConductor, Volume XXIV Number 4, 1995
- "Training High End Users on High Technology", IEEE Update, Volume 1, Issue 8, 1994
- "Career Trends for Computer Professionals", IEEE MiniConductor, Volume XXVIII, Number 10, 1994
- Transition of Additional DCTN Circuits to VCS, Contract Technical Report, 1992
- National Aerospace Electronics Conference (NAECON) Proceedings, 1996, Editor, ISBN 0-7803-3306-3
- Risk and Return Analysis of Transmission Media in Military and Commercial Applications, 1988, Corporate Publication of Lida Ray Technologies
- "The Role of EDI in Readiness Logistics", National Aerospace Electronics Conference (NAECON) Proceedings, 1995, Primary Author
- MSC/SR - REMIS TCP/IP Connectivity Option Analysis, 1993, Document Technical Report
- CSPP Annex P Communications Plan Evaluation of Feasibility of Incorporating DISA and NSA Comments, 1993, Contract Technical Report for MSC/SR
- Strategic Plan for ASD/VF ADPE Deployment, 1990, Contract Document.
- Item Inventory Database Description & Process Flow, Dayco Co., 1984 Co. Pub. of O'Neil & Assoc.
- "Distributed Data Bases", IEEE MiniConductor, Volume XXVII, Issue 3, 1993
- JLSC Video Teleconferencing System Architecture Recommendation, 1994, Contract Document
- JLSC Video Teleconferencing System Integration Plan, 1994, Contract Document
- "Parallel Processing as Part of a Metacomputing Environment", IEEE Update, Issue 5, Volume 1, 1994, Article: Also IEEE MiniConductor, Volume XXIV, Number 8, 1994
- White Motor Corp.: Order Entry Application Design, 1978, Corporate Pub. of Lida Ray Technologies
- Deployment Training Follow Up for ASD/RW, 1989, Contract Document
- Computer Configuration Management Database Functional Description, 1989, Contract Document
- Lessons Learned From Deployment of Fifty Z-248 Computers in ASD/RW, 1989, Contract Document
- MET-30 Z-248 User's Helpful Hints, 1990, Contract Document

Abbreviated Publications List Cont.

- Compendium of Technical Knowledge Developed for ASD/RW, 1990, Contract Document ASD/SCPC Program Management Plan (PMP), 1991, Contract Document
- "System Profile: Facilities and Equipment Maintenance (FEM) System", USAF JLSC Team Advisor, Volume 3, Issue 2
- "Introduction to Wireless Networks", UTA Technical Paper, 1994
- "JLSC Logistics Systems Center: Re-engineering Logistics for the Future", Corporate glossy brochure
- "Network Resource Planning and Management" Co-Author, 1993, Canadian Conference on Electrical and Computer Engineering Proceedings
- RW Small Computer Support Program Management Plan (PMP), 1989, Contract Document
- Micro Resource Manager (MRM) Configuration Database Product Review, 1989, Contract Document
- "Artificial Intelligence Today and Tomorrow" IEEE Update, Volume 1, Issue 7
- "OSHM Modular Assembly Structure Maintenance DB Specification", 1986 Corp. Pub. of O'Neil & Assoc.
- Strategic and Fiscal Stability Analysis of National Cash Register (NCR), 1988, Corporate Publication of Lida Ray Technologies
- Operator's Manual for the Warner & Swasey Indicorder Instrument with Spectre Computer System, 1984, Corporate Publication of O'Neil & Associates
- Training Manual: Student Information System (SIS) Database, 1981 Pub. of Sinclair Community College
- JLSC Material Management, Organization, Mission and Functions Manual, 1993, Contract Document
- Information Resource Center (IRC) Modernization Plan, 1994, Contract Document
- Open Systems Architecture for MSC/SR -REMIS, 1992, Contract Document
- ASC/SC Wavelan Test and Evaluation, 1991, Contract Document
- Communications Mgmt Support Plan Annex P to REMIS CSPP-D-11090, 1992, Contract Doc.
- JLSC Office Automation System Program Management Plan, 1994, Contract Document "Change", USAF JLSC Team Advisor, Volume 3, Issue 1
- Editor: Proceedings of the IEEE Conference on Wireless Lan Implementation, 1992
- Editor: ASD Graphics Direction, prepared by the ASD Graphics Steering Committee
- "Summary Findings of Two Wireless Implementations", 1994, Government Land Mobile Communication Conference Proceedings
- "Wireless Lan Implementation", 1995, Corporate Briefing of UTA
- "Case Study: Unforeseen Negative Impacts of a TQM Implementation", International Conference on Engineering Management Proceedings, 1995
- "Common Sense Security", The Interface, USAF 645th C-CSG Digest, 1993
- Computer Communication Open Systems Baseline and Proposal for MSC/SR, 1993, Contract Document
- "Transferring PC Word Processing Files To ASD MIS All-in-1 Using Call 2.4 Beta ", ASD MicroComputer Tech Notes, August Issue, 1989
- Process for Requirements Analysis for Office Automation Systems, 1989, Contract Document
- Requirements Analysis for Office Automation in ASD/VF, 1992, Contract Document
- "Wins: Big and Small", FEI Express, Volume 2, Issue 2, 1992
- "Viruses: Fact vs Fiction", IEEE Update, Volume 1, Issue 3, 1994
